## Ready Set, School!

KAIR is collecting new sneakers, backpacks, & school supplies for Marathon kids! More than 50% of kids in Marathon are eligible for free lunch and their families struggle to provide the necessary things for a good start at school. Items may be dropped at KAIR, Edward Jones at Town Square Mall or local churches. Last year 135 kids went to school ready to go!

## Postal Workers "Stamp Out Hunger"!

The National Association of Letter Carriers again carried out their annual "Stamp Out Hunger" food drive on May 12<sup>th</sup> collecting more than 70 million pounds of food across the nation. Local donations were received by KAIR to redistribute to families struggling to put food on the table. Under the direction of Post Master Jeannie Merrifield, letter carriers collected and transported food for donation to local Middle Keys residents.

Here, Supervisor Rich Camp helps load one of the many trucks required to transport the many thousands of pounds of food to KAIR.
